Subject: Bloom Energy
Attachments: Bloom Energy - Desulfurization Canisters - Attachments.pdf; Bloom Energy - Desulfurization Canisters.pdf; Bloom Energy Submission 3.13.15.pdf

Rick and Sara,

Attached is Bloom's most recent submission to the Department explaining their position and then our memo, with attachments explaining our position. I'll forward all the documents we have leading up to this in a separate email.

If you have any questions, please don't hesitate to let me know.

Thanks,
Melissa
